

### **Dr. Vanessa Borg - Leadership & Change Tutor**

Dr. Borg comes along with a knack for Strategic Management and Human Resources, promoting the importance of the development and deployment of human intellectual capital by integrating people, policies and culture, ultimately influencing financial and operational success.

Her wealth of academic; DBA, MPhil, MBA and B.Com, and pragmatic experience has ranged over areas of generic and strategic management, placing an onus on the setting and maintaining of weighty standards within an international arena. For the last few years, Dr. Borg has been managing her own company; 'Consultancy & Training Acumen Centre Ltd' as the Executive Director. She is a member of IOH (Institute of Hospitality) and of Malta Institute of Management.

She has also been elected as Vice President and Board Member of Foundation Temi Zammit and an Advisory Board Member for MCST (Malta Council for Science and Technology), a committee member on MEUSAC'S Education, Culture and Youth Committee and an SME member of the Foundation for Human Resources Development. Dr. Borg has been called in as a guest speaker on a number of local and overseas conferences and provides various training and consultancy services within the international arena.
